Report
For
Systems Accountability

1. Content Area - Year of Curriculum Cycle Grade Levels

2. For Elementary – Describe briefly your use of best practice strategies in reading (Example: QAR – what is it and how do you present it? What has been the progress toward Balanced Literacy in your room?)

For Secondary – Name the courses offered and summarize the goals of the course for which you would most like to receive input

3. Share any data you have gathered (number enrolled, MCA,MAP, awards, recognitions, etc)

4. Discuss the strengths and concerns you have in your present class/course.

5. What would you like to see more of in your program? Less of?
