

Year Four: Monitor and Adjust

Measure the effectiveness of new curriculum

(Follow Timeline:)

Steps to take:

- What questions do teachers, students, & parents have about new curriculum?
- How are student responding to new curriculum?
- Is the new curriculum being implemented as intended?
- Is the curriculum and instruction effective?
- What does our assessment data tell us?
- Examine student work
- Department collaboration and discussion
- Collect evaluation data
- Identify staff development needs
- Identify if supplemental materials are needed
- Are there weaknesses in the curriculum

- Product:
1. Questions and Answers summary
 2. Summary of how weaknesses are being addressed.
 3. Summary of Professional Development Activities
 4. List of materials needed

Year 4 – Monitor & Adjust

Purpose: Monitor and Adjust implementation of new materials

Committee Name: _____

Date: _____
