## Implications of this New Goal

Teachers	
Non-teaching Staff	
Budget	
Technology/ Pedagogy/ Facility	
Community	
Students	

# SMART Goal Checklist

*"If you can't measure it, then you can't manage it." -- Peter Drucker*

- Specific**      Does the goal target a specific outcome?  
Does the goal include specific criteria for evaluating success?
  
- Measurable**      Does the goal describe the measures that will be used to evaluate success?
  
- Achievable**      Is the goal doable? Will people be committed to achieving the goal?
  
- Resourced**      Are resources available to achieve the goal?  
What will the goal "cost" in terms of time, money, technology, staff, curriculum changes, etc.?
  
- Time-Bound**      Are targets set for the out years?
