*Dear Business Activities Supporter,
ISD 318 Superintendent Matt Grose and Activities Director Anne Campbell want to thank you for your continued support and patronage of our Activities Program. Thousands of students use the Noble Hall Field and Webb/LaBeau Track during the school year, with competitions in Football, Soccer, Marching Band, Lacrosse, Track and Field, Physical Education classes and Community Use. The Scoreboard is another way to provide advertising and support the maintenance of the new turf field, support the general fund and the overall Activities Fund.*

Thank you for partnering with us to give our students, families and fans a GR great experience!
