

Elementary First Day Reminders

Health Check

Please make sure your child is not feeling ill or exhibiting any COVID-19 symptoms. A list of symptoms is available on our website at isd318.org when you choose the COVID-19 tab. If your student has symptoms, is awaiting the results of a COVID-19 test, or has been exposed to someone who has tested positive, please contact your child's school office.

Gear

Don't forget your mask and refillable water bottle. Bring in your school supplies labeled with your name. Students will have lockers in which to store backpacks and coats.

Arrival

Each school will share their individual drop-off and pick-up processes with families. Students will not be allowed in the buildings before 7:45 am. Please make sure your student has their mask on when entering a school bus or building. Non-essential visitors will not be allowed to walk children into the building. Thank you for understanding that it is for everyone's safety.

Daily Routines

Students should clean masks or wear a new one each day. Children will have opportunities for mask breaks and recess each day.

Navigating

Staff will be stationed around the building helping students get to classes and to find their way. We know that with new routines and new buildings, kids may be nervous. We promise we'll take good care of them.

Meals

Students may bring their lunch or have school meals. School meals will be a combination of in-class and in-cafeteria meals and will rotate on a regular basis.

Dismissal

Make sure your student knows how they are getting home. We will have a controlled release to maximize physical distancing.

We can't wait to see our students on September 8!
