

# **STRATEGIC DIRECTIONS**

With student achievement at the center of all we do, these areas of focus guide our work for every student and family in the district.

Click on each Strategic Direction below to learn more.

## **EQUITABLE EDUCATION**

Ensuring access to services, programs and experiences so all students can succeed.

## STEWARDSHIP OF RESOURCES

Wisely using financial, physical and human resources to provide safe, supportive and effective learning environments for all students.

## BELONGING

Providing a positive, respectful and healthy environment so all community members feel connected to the district.

Student Achievement

## COMMUNICATION

Communicating internally and externally with consistency, transparency and accuracy.

## PARTNERSHIPS

Fostering meaningful partnerships with families, communities and colleagues to become more effective and efficient.

## EVIDENCE-BASED APPROACHES

Committing to evidence-based approaches that support improved outcomes for all students.
