

9th Grade It's Your Future

Programs of Study

1. What is another term for "Program of Study" at a college or university?
2. What does Post-Secondary mean?
3. How can pursuing a Post-Secondary education or training help me as an adult?
4. Tell what each of the different types of degrees are and an example of a job that uses each type. (All of these are considered "college"!)
