Release of Information/Conditions of Award

The Blandin Foundation needs to know that the dollars they give to students are truly helping them achieve success and move toward graduation. By signing below I agree that, if awarded, the Blandin Foundation may contact me at a later date to ask how the Blandin Education Grant has impacted my life. I authorize ICC to forward my name, mailing address, e-mail address, G.P.A, and grant award amount to the Blandin Foundation for reporting purposes and for future student surveys that will measure the impact of Blandin funding on student lives.

I understand that I must be a full-time student (**taking and attending 12 or more credits per semester**), must complete all verification paperwork if requested by the ICC Financial Aid Office, must submit a final high school transcript showing a graduation date, and must be making Satisfactory Academic Progress at ICC in order to remain eligible for this award. I understand that any Blandin Grant award I receive may be reduced with the addition of outside scholarship/grant funding. I will notify the ICC Student Services (Financial Aid) Office of any outside scholarships I may receive. I will also notify ICC if I decide not to attend for the 2020-21 school year so that funds can be awarded to other eligible students.
