3. Horticultural/Gardening Experience Essay:

On a separate sheet of paper, describe in a short essay (no less than 200 words) your involvement/experiences in horticultural/gardening activities. Please do not include any photos or support materials. If you have been named a recipient of a scholarship, we will be asking for a recent photo of yourself. Examples of types of information to include in your essay:

- How long you have been gardening, who or what inspired your gardening interest.
- What type of gardening have you been involved with (vegetable, flower, fruit, houseplants, lawn/landscape, employment at a greenhouse or similar business, other).
- Any community gardening activities/services (working in a community garden; sharing/donating extra produce/flowers, etc. to soup kitchens, shut ins, older neighbors, your church, etc.; doing lawn care or gardening help for others).
- Sharing your gardening skills by exhibiting at fairs/flower shows; doing demonstrations, talks, programs; helping younger gardeners; school projects or programs.
- Plans after graduation, include how you plan to use your gardening skills in the future.
