

Unbeatable Salary and Benefits Package

A career at MSOP has many rewards. Let's start with one that most other employers simply can't match: In addition to competitive salaries, we offer a pension and retirement savings plan. That's a rare benefit in today's labor market. Add to that:

- Up to 29 paid vacation days per year
- 12 paid holidays per year
- Up to 13 days of paid sick leave per year
- Health, dental and vision insurance (with options for spouse and dependents)
- Life and long-term care insurance
- Optional pre-tax benefits

Now, top things off with supportive supervisors and coworkers who are dedicated to your individual and team success; and a workplace culture that supports your continuing education and backs it up with tuition reimbursement for eligible positions. That's a recipe for a long, happy and rewarding career at MSOP.
