The Minnesota Sex Offender Program (MSOP) is seeking motivated individuals to join our team for a unique and rewarding career opportunity as a Security Counselor at our Moose Lake campus. This is a great opportunity to be part of an organization that is committed to our staff, clients, and the community!

Security Counselors are responsible for ensuring the safety and security of clients, staff, and visitors of the Moose Lake campus of the Minnesota Sex Offender Program. Throughout their shift, Security Counselors interact with clients, modeling positive and appropriate behaviors, minimizing risks, and anticipating safety/security concerns. Inherent in each of these activities, Security Counselors apply facility policies and procedures to maintain a therapeutic atmosphere that supports the agency mission, vision and goals. This includes supporting individual clients in meeting their individual treatment plan expectations.

Qualifications:

- Possess a High School diploma or GED and be at least 18 years of age and have at least ONE of the following in order to qualify for further consideration:
 - One or more years of full-time work experience in ANY field; **OR**
 - Two or more years of part-time work experience in ANY field.

WHO WE ARE

The Minnesota Sex Offender Program (MSOP) is a sex offense specific treatment program in a modified therapeutic community in a secure setting that provides comprehensive services to 740 clients that are civilly committed as sexual psychopathic personalities or sexually dangerous persons. Comprehensive services include sex offense specific treatment, education programming, therapeutic recreation, vocational programming and volunteer services, and health and wellness. Safety and security are at the forefront while maintaining a therapeutic environment.

WHY WORK FOR MSOP

Led by seasoned and respected professionals, MSOP offers professionals the opportunity to be part of an organization that is committed to its staff, clients and the community. MSOP is committed to the professional growth of staff and applying current best practices to assist our clients in making meaningful change. MSOP, while rooted in public safety, is equally focused on the capacity for clients to change and ultimately be reintegrated into the community when risk to the public is sufficiently reduced. MSOP values professional development and provides ongoing state-of-the-art training and supervision toward professional licensure for its staff.
