Minnesota: Achievement and Integration Program

The purpose of the Achievement and Integration (A&I) for Minnesota program is to pursue racial and economic integration, increase student achievement, create equitable educational opportunities, and reduce academic disparities based on students' diverse racial, ethnic, and economic backgrounds in Minnesota public schools. (MDE)

Independent School District 318's Achievement and Integration Plan fulfills the requirements of MN Statute 124D.861 and 124D.862 by developing a plan to close the achievement and opportunity gap using revenue specific to Achievement and Integration.

ISD 318 is considered to be an *Adjoining* district, with Deer River Independent Schools as the *Racially Isolated* district.

At a public meeting held on December 5, 2022, Independent School District 318 Board of Education, in accordance with Minnesota Statutes, sections 124D.861 and 124D.862, will search to approve the 2021-2022 Achievement and Integration Plan.

Student Progress and Growth

Independent School District 318 sets goals that support a reduction in the achievement gap. ISD 318 monitors student growth using a variety of academic and non-academic monitors.

Achievement and Integration Goal #1: All Students are Ready for College and Career

SMART GOAL:
