

ISD 318 COVID MITIGATION

2021 - 2022 SCHOOL YEAR

we are
318

We start the year here

Little or limited spread in school.

Increased masking based on observed cases in classrooms, buildings, and the school district.

Increased quarantines based on observed cases in classrooms, buildings, and the school district.

1

Masks are strongly recommended in classrooms and required on buses.

2

Social distancing will be in place wherever possible.

3

Testing and screening opportunities will be available with parent permission.

4

Enhanced hygiene measures will be in place.

5

Quarantines are required for family members of positive cases who are unvaccinated and do not have a negative test.

6

Affected families will be notified of positive cases.

The level of masking requirement will be based on the level of spread as detailed below:

Enhanced classroom mitigation:
short-term masking.

Enhanced building mitigation:
short-term masking.

Increased grade level mitigation
(grades K-5): longer-term masking.

Increased district level mitigation
(grades K-12): longer-term masking.

The level of quarantine requirement will be based on the level of spread as detailed below:

Enhanced quarantine: quarantine all unmasked and unvaccinated close contacts if the positive case was unmasked.

Enhanced quarantine: quarantine all unvaccinated close contacts regardless of masking status.

Enhanced quarantine: quarantine all close contacts regardless of vaccination or masking status.
