

CORE OPTIONS

You must register for a full credit of English **every year**. You also need 3 ½ credits of social and 3 full years of math and science **but** an additional year is recommended for students planning on continuing their education after high school – some colleges require 4 years.

If you failed a required/core course, you need to register for it again.

A few notes before you make your choices:

Read through the course descriptions in GRHS Course Catalog and check for the prerequisites and other requirements. The GRHS Course Catalog can be found online at Grand Rapids High School website under the “Academics” tab (<https://www.isd318.org/Domain/13>).

Consider your course selections carefully! Counseling is working hard to reduce the number of schedule changes made each semester. We will alter schedules to fill ‘holes’, balance teacher rosters, and to accommodate changes due to serious academic reasons.
