My Request Tab

After you click submit on the request form, the screen will refresh to the *My Request* Tab.

The screenshot shows a web interface for managing requests. At the top, there are tabs: 'Work Request', 'Schedule Request', 'My Requests' (selected), 'My Settings', and 'Help'. Below the tabs, there are links for 'My Work Requests' and 'My Schedule Requests'. The main heading is 'My Work Requests'. A note states: 'Note: Once the request is assigned to someone for approval, you no longer can edit the request. You can click on the current assigned person name to send email and request changes on your request.' To the right, under 'Request Totals', it shows '14 Complete'. Below the note is a search bar with the text 'Search for "' and a 'GO' button. Below the search bar is a text input field with the placeholder 'Search this results for:'. To the right of the input field is a 'Show All' button and a printer icon. Below the search bar, it says '1 - 10 of total 71 listed'. Below this, there are navigation links: 'Previous 10' and 'Next 10'. The main content is a table with four columns: 'Status', 'Location', 'Action Taken', and 'Complete Date'. The table has two rows of data. The first row shows 'Complete' status, 'Maintenance Facility' location, 'No Action Note' action, and '11/19/2004' completion date. The second row shows 'General Maintenance' status, '3171 Please move box and roll of blueprints to war room. Get key from Frank or Jill. It may take 2 people to carry these.' location, and an empty 'Action Taken' and 'Complete Date' cells.

Status	Location	Action Taken	Complete Date
Complete	Maintenance Facility	No Action Note 11/18/2004	11/19/2004
General Maintenance	3171 Please move box and roll of blueprints to war room. Get key from Frank or Jill. It may take 2 people to carry these.		

On this screen you will see up-to-date information on your request including:

- Status
- work order number for referencing
- The date you requested the work
- Any Action Taken notes added by the technician on the progress
- And a Completion Date once the work has been completed

TIPS:

- A. In the Request Totals section (on the right hand side of the above screen), you can click on the number next the to status description to see all request marked with that status.
- B. You can search for any work order request by typing in a key word in the **Search** box and clicking on **GO**. This will pull up any of your requests with that word in it. (ex: keys would pull up any request dealing with keys).
- C. Click on the **Work Request** Tab to input a new request.
