Parking Is A Privilege

Parking on campus at Grand Rapids High School is a privilege. In order to enjoy this privilege you must be a student in good standing. The good news is that all students begin the school year as a "student in good standing." You can maintain this status by avoiding truancy, discipline referrals or leaving during lunches.

1. If you leave campus during lunch without permission (first offense) your parking privilege will be revoked.
2. The third time you are truant from class, your parking privilege may be suspended.
3. The third time you receive a disciplinary referral (including tardies), your parking privilege will be revoked.
4. If you are taking other students off campus without prior authorization, your parking privileges may be revoked.

I have read and I understand the above conditions. I will comply with these conditions while in possession of a parking permit at the Grand Rapids High School.
