

# Healthcare Career Pathway

20% of all jobs in Itasca County are in the healthcare field. This makes it the largest industry in the area.

In Itasca County, 4,890 new healthcare jobs will be available between 2012-2022!

Be prepared to enter this fast growing field with classes from the Healthcare Career Pathway.

Career pathways are a guided path for students to follow as they prepare for future careers, gain valuable real-world skills, and earn college credits in their chosen field.

Learn more and see a list of the eligible classes under the Academics tab at [grthunderhawks.com](http://grthunderhawks.com) or see your counselor today!
