Premium costs beyond the contribution of the District shall be borne by the subscriber.

B. Teachers employed less than eight-tenths (8/10) time may receive district contributions toward medical insurance in a percentage of full-time district contributions consistent with their percentage of full-time employment.

C. **Married Couple Premium Calculation:** If a Teacher is married to another district employee, the following will apply to calculating the district portion of the premium(s). The two employees may choose either of the following:

- Each takes a single plan. No change will be made to calculating the district cost of premiums; the district will contribute the single district portion of the premium for each employee according to their applicable contract.

A. The health insurance plan is a high deductible health plan with a Health Savings Account (HSA). The single plan will have the minimum required deductible to offer an embedded deductible plan, currently 3,000 per year. The family deductible will be double the single deductible, currently 6,000 per year. A HSA will be included in the plan. The District will contribute 1,500 per year for each single plan and 3,000 per year for each family plan. Each year the District will contribute funds into the policyholder's HSA that equals 50% of the deductible for each single and family plan.

B. The Internal Revenue Service (IRS) requires that the minimum statutory deductibles for plans with HSAs be indexed for inflation. To remain compliant with IRS rules and offer an embedded deductible plan, the yearly deductible will increase in future years. Increases will be the minimum required on a single plan to offer an embedded deductible, and family deductibles will be double the single.

C. HSA contributions will be prorated for partial years of service. HSA contributions will not be made for a Teacher on the districts retiree insurance.

D. In the even the District decides to change the medical plan year and a shortened medical plan year is needed to implement the new plan year, the District will contribute the full year's HSA contribution for the partial year.

The employees share of the premium will be deducted equally across all checks, beginning the month prior to the start of coverage. District contribution toward coverage shall be at the rate of 12 months of coverage for the entire contract year worked. The number of coverage months will be prorated for mid-year hires and terminations.

Subd. 8. A year of sabbatical leave shall be counted as a year of experience on the salary schedule.

Subd. 9. A teacher on leave may augment sabbatical salary with aids, fellowships, scholarships, or other stipends up to an amount that will not exceed the full amount of basic salary. Amounts which exceed basic salary, excluding reserve service pay, will be deducted from salary for the year following the sabbatical. Generally, request for leaves of absence must be submitted to the Superintendent's Office prior to March 31. Granting of leaves of absence may depend upon the purpose of the leave and the ability to fill the position vacated. When a teacher is granted a leave for any reasons other than those enumerated elsewhere in the Article, the teacher's salary shall be deducted on a per diem basis for the time absent. Per diem will be based on the length of the school term; that is, the actual number of days that teachers are required to be on duty.

Subd. 2. A teacher on a Section 10 Leave of Absence must notify the Superintendent's Office, in writing, prior to March 1. The notification must clearly indicate their intent regarding returning to work or not, at the end of their leave.

Subd. 2. A teacher making application for child care leave shall inform the Superintendent in writing of the intention to take the leave at least one calendar month before commencement of the intended leave. The teacher and the Superintendent will discuss the several possible dates for the beginning of the child care leave to consider and select the date which best serves the needs of the teacher and the District. If the request for child care leave is due to pregnancy, the teacher will also provide a statement from her physician indicating the estimated date of confinement.

Subd. 3. When the child care leave is occasioned by pregnancy, a teacher may utilize sick leave pursuant to the sick leave provisions of this Agreement during a period of disability. Sick leave may also be utilized pursuant to section 2 (sick leave) as indicated in maternity leave. If requested by the pregnant teacher, the beginning of the child care leave may be scheduled after the medical disability associated with the birth.

Subd. 4. The District may adjust the proposed ending date of a child care leave to coincide with some natural break in the school year.

Subd. 5. The District shall not be required to permit the teacher to return to employment prior to the agreed upon return date unless mutually agreed to by the District and the teacher, and shall not, in any event, be required to grant any leave more than 12 months duration.

Subd. 6. A teacher returning from child care leave shall be placed in a position commensurate with the position occupied prior to the leave, unless previously discharged or placed on unrequested leave.

Subd. 7. Failure of the teacher to return pursuant to the date determined under this section shall constitute grounds for termination unless the District and the teacher mutually agree to an extension of the leave.

Subd. 8. The parties agree that the applicable period of probation for teachers as set forth in Minnesota Statutes is intended to be a period of actual service enabling the District to have the opportunity to evaluate a teacher's performance. The parties agree, therefore, the periods of time for which the teacher is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9. A teacher who returns from child care leave within the provisions of this section shall retain all previous credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the commencement of the leave.

Subd. 10. A teacher on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions but shall pay the entire premium for such programs as the teacher wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate in accordance with Article VIII, Subd. 6., if the teacher does not return to the District pursuant to this section.

SECTION 14. Religious Leave: Any teacher who observes a religious holiday on a day which does not fall on a Saturday, Sunday or legal holiday, shall be entitled to a day off from employment for such observance with prior approval from the Superintendent's Office. If the teacher has their unused emergency day, that day shall be charged

against emergency leave. If emergency leave is not available, the employee can use personal leave or take the day off without pay. The procedure found in Article IX, Section 3, will be used to apply for religious leave.

SECTION 15. Statutory Leaves:

Subd. 1. Extended leaves of absence: M.S. 122A.46 provides for leaves of absence of three to five years for full-time teachers who have been employed in their current districts for at least five years and have at least ten years of service in public elementary, secondary, and/or area vocational-technical schools in Minnesota. Those teachers who work full days for a portion of the year may elect to take leave either as the correct portion of the four days each year or as a full day after a full day's leave has been earned.

Subd. 3. A teacher shall remain eligible for the emergency leave even if that teacher has not used the personal leave days.

Subd. 4. Generally, a request for personal leave must be made using the automated substitute/absence system at least two days prior to the date of the requested absence. Requests for personal leave shall be granted if made at least seven (7) days in advance. If less than 7 days is given, approval of the request is contingent on the availability of substitute teachers.

Subd. 5. Within each building, at least one teacher but no more than ten percent of the staff shall be granted leave on any one day. Leaves will be granted according to the order of receipt of applications. Those teachers granted leaves on any day that has an excessive number of applicants will be put into the "rotation system" in future years. Attendance at activities of a direct family nature, such as graduation of a child, wedding of a family member, athletic or academic event when a child is an active participant, etc. will not be included in the 10% maximum.

Subd. 6. All personal and professional leave requests during the last seven (7) student days must have prior approval of the principal and may, at the discretion of the principal, be denied. If this occurs the affected teacher(s) will receive a daily payment of \$25 until the situation is corrected and follows contract language. The District will not be held responsible for any payment for days in excess of 10 working days prior to notification by the teacher.

If this attempt is not successful, the Exclusive Representative shall meet with the Superintendent or designee to determine how the need can best be satisfied. Based upon this determination, the Exclusive Representative and the District shall develop the necessary waiver(s) to this Master Agreement to allow the District to fill the position. The position shall be posted first internally with the deviation from standard calendar specified in the posting. If no one applies for the position, any teacher whose unrequested leave may be caused by filling the position through hiring from outside the District shall be so notified and given an opportunity to accept the position. If the teacher declines the position, the District may proceed with filling the position from outside even though such action will cause placing a tenured teacher on unrequested leave.

This process shall include only those teachers who are appropriately licensed to fill the position in question. Provisions of the Strand/Westgard decisions will be set aside for this specific purpose.

SECTION 5. Extended Year: Teachers who teach in programs which are mandated by state or federal authority to continue beyond the length of the regular contract year shall have the right of first refusal to teach during the extended year portion or the work assignment which is greater than the regular contract year at pro-rata pay. Subd. 6. Time Limits: Failure by the grievant to adhere to the time limits constitutes a forfeiture of the grievance unless the time limits are extended by mutual agreement, prior to that particular deadline.

Subd. 7. Resolution: Except after the initial informal meeting, any resolution of the grievance shall be in writing and signed by a representative of the District and the Exclusive Representative.

SECTION 4. Compensatory Reimbursement: If the arbitrator in a grievance arbitration determines that the grievant is entitled to compensatory reimbursement due to assignment in excess of a teacher's standard workload, the rate of compensation for the excess shall be the amount stated in Appendix B, Part 1, Section 1 of the Master Agreement.

WHEREAS, the School District and the Association are parties to a collective bargaining agreement (hereinafter referred to as the "CBA") for the time period from July 1, 2023 to June 30, 2025; and

1. **Committee:** The District and Exclusive Representative already have a joint committee that is commonly referred to as the stranding committee. This committee has representatives from the District and Exclusive Representative and all parties on the committee are familiar with the current procedure for ULAs. We agree this would be the appropriate committee to work through new language.
2. **Timeline.** The committee will begin work in September, with a completion deadline of February 1, 2024. It's important for both the Unit and District that this work is completed prior to our budget and ULA timelines that happen in the Spring.
