SECTION 1. Inherent Managerial Rights: The Union recognizes that the School Board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

SECTION 2. SECTION 1. Right to Views: Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any covered employee or their representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designated to and does not interfere with the full faithful and proper performance of the duties of employment or circumvent the rights of the Union if there be one; nor shall it be construed to require a covered employee to perform labor or services against their will.

SECTION 2. Right to Join: Covered employees shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations. Employees in this appropriate unit shall have the right by secret ballot to designate an Exclusive Representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for such employees with the School Board of such unit.

However, any employee assigned to a position requiring regular and recurring contact with students must complete one (1) month of service during the regular school year in order to complete his/her probationary period. An employee promoted to a higher rated

classification shall not have his/her wage rate reduced below the wage for his/her previous classification because he/she is serving a new probationary period.

SECTION 5. Seniority: The purpose of this clause is to implement an orderly system for the reduction of employees when it becomes necessary because of the closing of school buildings, merger of facilities, discontinuance of positions or programs, financial limitations and/or lack of pupils.

Subd. 1. Seniority is established by continuous service as an Educational Support Professional. Educational Support Professional is defined in Article III, Section 2. C. Reinstatement rights shall automatically cease two years from the date the unrequested leave commenced and no further rights to reinstatement shall exist.

D. Any Educational Support Professional who is placed on unrequested leave may accept employment in another position or in any other occupation during the released time. Educational Support Professionals returning from an unrequested leave shall have all sick leave benefits reinstated.

Provided, however, if a long-term substitute is hired as an Educational Support Professional employee, and there is continuous service, the employee's seniority shall be credited back to the employee's date of hire as a long-term substitute. A long-term substitute hired as an Educational Support Professional employee shall be required to serve a full probationary period after being hired as an Educational Support Professional employee and shall not be given credit for the time of service as a long-term substitute for purposes of completing the probationary period.

A vacancy filled by a long term substitute shall be posted for the subsequent year, subject to the District's right to eliminate the position or change the hours.

Posting notifications will be posted on all official school bulletin boards for at least five working days between August 7 and the end of the school year. Posting notifications will be posted for at least 10 days between the end of the school year and August 6. A copy of all Educational Support Professional postings will be sent to the President of the Union.

If more than one Educational Support Professional applies, the most senior, non-probationary Educational Support Professional will be assigned to the vacancy. Whenever the District fills a vacancy by posting or realignment meeting, the District shall have option up to two (2) times per fiscal year to deny a posting to the most senior applicant. The District may carry over up to one (1) unused option into the next fiscal year. Each time the District exercises an option, the Union and the affected senior applicant shall be notified in writing. The denial shall not be subject to the grievance procedure.
