PTA NEWS

The PTA is raising funds for a climbing wall in the gym. Please help by having your student participate in a Jump-A-Thon on November 8th at 1:30 during the school day. Packets have already been sent home with students. To participate your student will need to raise **a minimum of \$20.00.** Students who are not participating will be able to join in after the contest and play a few games. During the Jump-A-Thon there will be games and a contest per grade for the student who can jump the longest amount of time. Awards for the contest will be given out at the end of the event.

PARENT SURVEY

Families, we need to hear from you! Our Parents & Families Survey is your chance to share what's working in our schools and what's not. We use your feedback throughout the district and at the individual schools. Teams across the district use the survey results to improve instruction, support services, and family partnerships in our schools. New committees and communication methods are even formed as a result of your input. The data is also presented to the School Board each year. With your input, we are making ISD 318 an even better place. Take the survey today at www.surveymonkey.com/r/318FamilySurvey2019.
