

BIGFORK EXTRA-CURRICULAR POLICY

Revised
September 19, 2007

Involvement in extra-curricular activities is viewed as an educational experience and a privilege that will enhance the backgrounds of the students who participate. Students who participate in extra-curricular activities are representing the Bigfork community and the school. These students are expected to act as positive representatives of Bigfork in all aspects of their activities, in or out of their activity season.

EXTRA-CURRICULAR ACADEMIC ELIGIBILITY POLICY

Bigfork High School is committed to high student achievement in both academics and activities. Students will be expected to perform to the best of their ability in both areas. Coaches, parents and staff will have the opportunity to refer any student-athlete to the Teacher Assistant Team in order to identify poor academic performance. The Teacher Assistance Team will be authorized to implement strategic interventions to increase academic and behavior performance. This may include declaring students ineligible from extra-curricular activities
