

GRHS Happenings

Date: 2/27/2023

Today's Events

-

Information

- "GR History is taking students to Paris, Rome and the 80th Anniversary of D-Day at Normandy France in the Summer of 2024 -- the informational meeting in Mr. Hyduke's room is March 6th, or scan the QR code outside his door 3163"
- Over the past 10 years, GRHS blood drives have grown from 3 per year to 5. We have also improved from around 40 units per drive to over 60! At our most recent drive, we had 31 first time donors contributing to our all-time record of 77 units - THANK YOU SO MUCH STUDENT DONORS! On Wednesday March 1st, KBJR news is coming to do an update on Mrs. Thunshelle's personal recipient story, highlight GRHS blood drives, and is hoping to include someone who has been motivated to donate blood by knowing her story. If this might be you, please see Mrs. Thunshelle as soon as possible!
- Congrats to our boys swim and dive team: Section 6A Section Champions, heading to State this week.
- Congrats to our Wrestlers that qualified for state: Alex Lehman, Justin Jobe and Clayton Danielson. Send off will be Wednesday March 1, right away in the AM.

Birthday Shoutouts

Alexis McClelland
