

GRHS Happenings

Date: 2/28/2023

Information

- On Wednesday March 1st, KBJR news is coming to do an update on Mrs. Thunshelle's personal recipient story, highlight GRHS blood drives, and is hoping to include someone who has been motivated to donate blood by knowing her story. If this might be you, please see Mrs. Thunshelle as soon as possible!
- "GR History is taking students to Paris, Rome and the 80th Anniversary of D-Day at Normandy France in the Summer of 2024 -- the informational meeting in Mr. Hyde's room is March 6th, or scan the QR code outside his door 3163"
- Reminder tomorrow will be the send off right away in the AM, report directly to the gym.
- All 9-12 grade students. The 2023 track and field season is starting soon, Monday March 13th. Athletes please get all your paperwork filled out either online or in the Athletic office ASAP before then. Remember that athletic physicals are good for 3 years so double check that you are in compliance. See Coach Illikainen or Coach Sandys if you have any questions about our upcoming season. There is something for everyone in this sport so if you are looking for some activity this spring, look no further.

Birthday Shoutouts

- Aryanna Daydodge
- Tanner Tenney
