- Attention Seniors -This is a reminder that all local scholarships are now open and ready for you to apply. This includes the Thunderhawk application, the Grand Rapids Area Community Foundation and the Blandin Foundation Educational Grant program.

Counselors and Mrs. Clairmont will be doing a FAFSA Seminar and Scholarship help session during A and D recharge on Thursday January 25th in G122. Come to learn how to do the FAFSA and have your questions about scholarships answered. All students applying for a Blandin Grant need to do a FAFSA, so make sure you attend this seminar so you know how.

On Tuesday January 16th at 7:00 p.m., parents and students can attend an online FAFSA seminar sponsored by the MN Office of Higher Education. Check your email updates or your senior schoology page for the links.
