Information

- TODAY !!! Rock, Paper, Scissors School wide competition- Why are we doing it? ...Strictly for fun!! Rules are simple, students and staff received a bead necklace when you entered the building today. Challenge a person to a game of RPS- if you win, you get their necklace(s), if you lose, you give up your necklace. Students can challenge staff once they have five necklaces. At the end of the day, students or staff with the most necklaces will win a prize. When you leave the building, look for Zenzen in the main entry if you think you may be a winner! Four students and/or staff who have the most necklaces at the end of the day will be announced on Tuesday and will receive a gift card. **RULE**- no playing during class time, unless your teacher gives permission.
- StudCo/Renaissance is now selling the YummyLix lollipops. They are \$1. Suckers can be found in Kasanen's, Thunshelle's, and Zenzen's and are also being sold by some StudCo students.
- Boys & Girls Lacrosse start practice on Tuesday, April 2, 2024. Make sure you are registered and have a current physical on file before practice starts.

Birthday Shoutouts

- Asher Mitchell
