Class Pem

So long, Grand Rapids High School,
Our home of the past four years,
So long, you dear old High School,
We leave with flowing tears.

Good-bye, our Superintendent,
You have been our leading light;
Thru all our troubles, trials and woes,
You have shown us the right.

Au Revoir, our Principal,
Au Revoir, our teachers fine;
You have certainly done your share
For the class '09.

Ta Ta, our friends and schoolmates,
Underclassmen, line after line,
With heavy hearts we are leaving
So, Adieux, from the class '09
